Mission Statement

The Greer School of Christian Leadership and Development (GSCLD) seeks to train the mind, develop the Christian character, and enrich the spiritual lives of its students through quality bible classes. Its purpose is to glorify God by teaching a Biblical worldview of life in a Christ-centered environment.

We seek to advance [2 Corinthians 10:5](#) which says “We demolish arguments and every pretension that sets itself up against the knowledge of God, and we take captive every thought to make it obedient to Christ” (NIV).

GSCLD seeks to build in the student a God-consciousness; and, to help him or her develop a consistent Christian philosophy of life by integrating personal decisions with Bible principles.

Jesus Christ demonstrated the importance of discipleship and Christian learning. As followers of Christ, we are encouraged to continue HIS example.

Truth, Wisdom and Peace comes from God's word.
